1. The following is an examiner's statement of reasons for allowance:

For claims 1-62, the prior art fails to teach a combination of software stored with the first computer defining functions to be performed by the first computer; performing an inbound screen on route information received by the first computer, from the second computer, to determine if the received route information should be discarded, and if the route information is not discarded, comparing the received and screened route information to a local policy defined within the first computer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Elliott et al. (6,335,927) and Rabenko et al. ( 6,765,931) are all cited to show systems which are considered pertinent to the claimed invention.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DANG T TON whose telephone number is 571-272-3171. The examiner can normally be reached on MON-WED, 5:30 AM-6:00 PM and Thur 5:30-9:30 A.M.
